Dear Gang:

Well, all the little Hot Springs Corvette Weekend munchkins have been hard at work, with our show right around the corner. I have the responsibility for registration. It really has been enjoyable talking with corvette folks from so many states and hearing their enthusiasm for our show. I know that we will have one of our better efforts this year and I am really looking forward to it.

We have a couple of fun events for this month. Glen Acre has done a yeomen's job on setting up the drag strip for our races. If you have never attended this event, you should. It's a hoot, even if you don't run your car. So, make your plans now to caravan down with us and burn some rubber! Tom has us all lined up for the Irish parade in downtown Hot Springs, so give him a call and enter your car!

We got great news this month on some of our members who have been ill. Patsy, Larry and Buddy are doing very well. I look forward to seeing them back in the saddle at future events.

Our membership continues to grow. Welcome to new members Billy Atherton, Mike and Caity Cossitt, Randal Richardson, Larry and Deronda Atkinson, Carolyn Bradford, Jim and Karen Hoskins, Gary and Danna Kohrs, Shane and Kathy Parker and James and Suzanne Long. We are excited you have joined our corvette family and look forward to getting to know you.

The time for paying your membership dues is quickly drawing near. Remember, if you are not paid up by the end of March, you come off the membership roles. So, if you have been putting this off, now is the time to get it done.

I'm looking forward to our April meeting. We have set aside time for each member to introduce themselves, and tell us what kind of corvette/s they have. Past President Dan Tucker started this and it's a great way for our new members to meet everyone. By the way, we have another dirty 50/50 pot all lined too. I'll tell you now, that there is another mystery prize and it's in a really, really big box! You won't want to miss out on this. Also, a special announcement will be made at the meeting too.

*Save the Wave!*

**Phil**

### Chaplain's Corner

Jack L. Blackshear, MD  
CACC Chaplain

Psalm 100:2 says to serve the Lord with gladly, singing with joy. We have a lot to be thankful for.

I am inspired by Dr. Bill DeVries, the designer of the first artificial heart. Though extremely busy, he would round on weekends to cheer up patients who were down, change dressings himself, and just sit and talk. He was said to be an "old shoe", fitting in wherever he went. (He wore cowboy boots.) A smile was always lurking. What an attitude! I hope your doctor is like that. Gee, I hope you are like that. Life is hard enough to make us calloused and folks like these help keep our hearts soft.

Do you fit the following? "I used to ask God to help me. Then I asked if I might help Him. Finally I ended up asking Him to do His work through me." As the hymn says, "Serve the Lord with gladness, this shall be our theme...."

**GET WELL SOON:** Please keep your thoughts and prayers going for the following club members; Larry Botsford who is recovering from back surgery, Linda & Buddy Smith, Buddy is recovering from back surgery, Tom Powal is having severe back pain and his doctor is recommending surgery, Larry & Kathy Olsen, Kathy's sister is recovering from heart & lung surgery, Sharon Burriss who is still undergoing chemo treatment for cancer, Carter & Margaret Davis's daughter Jenny who is still undergoing chemo treatment for cancer and Pam Walden whose mother is in the hospital.

Presentation of the National Corvette Museum Brick honoring Frankie Ann Lenhart, CACC's first lady president to her husband Harry.

Dr. Jack, Jim, Joyce and Harry.

This is the duplicate of the brick in the National Corvette Museum given by our club in memory of the CACC's first lady president. Our club president took the pictures. Dr. Jack, Jim Butler and Joyce Johnson accompanied Phil Friday afternoon, presenting it to Harry Lenhart. He lives just off Lawson Road. He told us he bought her a C4 white convertible in Louisiana and fixed it up for her. White was her color. She also liked pickup trucks. He has an eye for camaros and has a 2010 white one that he says, "screams".

The two grandchildren want her corvette. It looks a lot like Pastor Ed Simpson's. We invited him to attend some of our functions and Joyce gave him a brochure. We will place him on the email list in hopes he gets a hankering for a vette. We could tell he really misses her and hope this club gesture will help relieve some of the grief.  
Dr. Jack
